

Narrow Depth Frozen Food / Ice Cream Glass Door Merchandiser

Advantage^{series}

Tyler's N5FGNA Narrow Glass Door Case brings space-saving and flexible merchandising to your frozen foods department with a wide variety of energy-efficient door and lighting options.

N5FGNA

TYLER

Features & Benefits

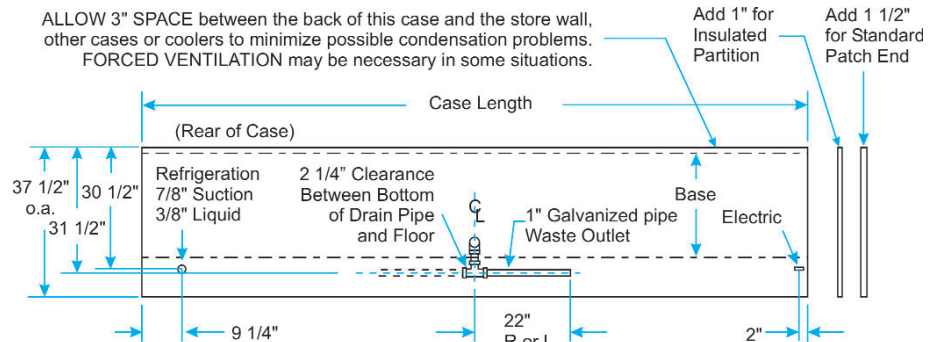

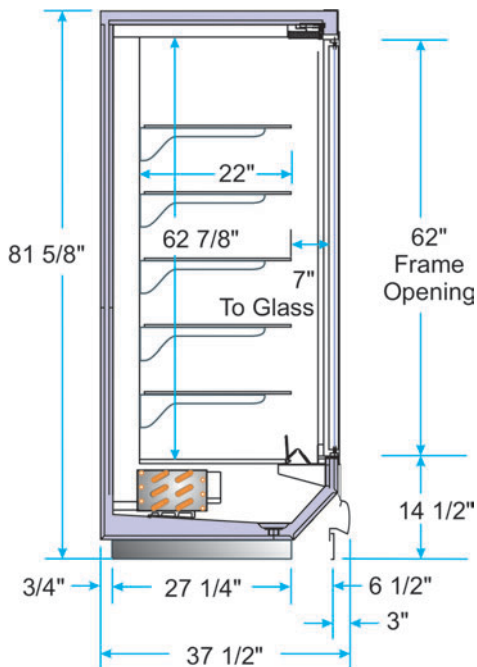

- Narrower footprint for more aisle space in the store.
- Energy efficient copper tube and aluminum fin coils.
- Recessed shelving allows shoppers to open a single door and have access to adjacent shelves.
- Solid steel base adds strength and durability.
- Easily removable interior components for quicker cleaning.
- Fan assembly design allows access to coil and drain pan.
- Door frame systems are reversible, heat reflective, and contain our PRISM vertical T8 lighting.
- Electric defrost.

Options

- Choose between our standard or high-efficiency door frame system.
- ECM fan motors for additional energy savings.
- 3 or 6 position shelf brackets for varied shelf display angles.
- Choice of solid shelving or powder-coated shelf screens.
- Gas defrost.

All dimensions are nominal. Specifications are subject to engineering changes without notice.
