TC Coil™

Model N7DNL shown

N7DNL and N7DNHPL narrow depth, extended height, vertical multi-deck merchandisers provide that extra vertical merchandising space to a case with a space saving footprint. The extra four inches of vertical space makes it a perfect match for merchandising dairy, deli and beverage products where space is a premium.

**High Performance TC Coil™**

High Performance (HP) Merchandisers feature our patented TC Coil™ design, which represents a major technology breakthrough for the commercial refrigeration industry. Developed jointly by Carrier Corporation and Tyler, the TC Coil™ enables HP merchandisers to operate more efficiently, providing energy savings that allow faster payback periods for food retailers.
